Financial Wellness with the California Dental Hygienists' Association

Dental Hygiene school introduces students to the basics of retirement and financial planning. However, when you finally land the dream job, many employers do not offer benefits, let alone a retirement plan for dental hygienists.

CDHA has partnered with Ameriprise Financial to offer a financial wellness program for its members. CDHA and Ameriprise Financials' objective is to assist members in their financial goals. Whether it's saving for a house, a car, or retirement, CDHA's financial wellness program is here to help!

Contact Ameriprise Financial for **your complimentary initial consultation** to start your financial planning today.
