### Message From Our President, Akta Amin, RDH, BS

Hello Tri-County family!

Wow, how the year has just flown by, it seems like just yesterday we were bringing in 2017, and now we are one month into 2018! I hope you all enjoyed your holidays with your friends and family. I would like to personally invite you to attend our upcoming social event, an Afternoon Paint Party. This is a great way of meeting others in our profession, making new friends, catching up with old ones and enjoying a great afternoon.

I am looking forward to enjoying the remainder of our 2017-2018 season with you all. We have a pretty fun-filled calendar of upcoming continuing education courses, community outreach events, and various social events. I'd like to encourage anyone who is interested in getting involved with the board to please feel free to come to our business meetings and join in on our discussions. It is an amazing place to be able to meet fellow hygienists from around the area, and it's also a great way to get involved with the changes that affect each and every one of us in our profession.

The Tri-County Dental Hygienists' Society supports your goals for a successful and thriving career. We thank you for supporting us and invite you to join us for all the fun and learning we can have together. I look forward to seeing you very soon.

Akta
